

A NEW *Spin* ON REBATES

RESIDENTIAL CUSTOMERS:
Save on Water-Efficient Toilets
& Clothes Washers

SAVE UP TO \$250 per toilet
(maximum 3 per residence)

- \$100 per toilet from the California Urban Water Conservation Council www.cuwcc.org
- \$50 — \$150 per toilet depending on brand from LACSD

A family of four can save up to \$750 and 14,162 gallons of water

SAVE UP TO \$500 per washer

- \$150 from the California Urban Water Conservation Council www.cuwcc.org
- \$250 from LACSD www.lakearrowheadcsd.com
- \$100 from the state www.cash4appliances.org

A family of four can save up to \$500 and 8,200 gallons of water

HOW does it work?

1. Visit the websites to review the list of eligible appliances
2. Download the State and California Urban Water Conservation Council application forms
3. Purchase and install a qualifying appliance
4. File your applications with the State and California Urban Water Conservation Council
5. LACSD receives a report of rebates issued by the California Urban Water Conservation Council and issues a supplemental check

See websites for forms, details and eligibility.

For information on the LACSD program call 909-336-7100 or go to www.lakearrowheadcsd.com

For information on the California Urban Water Conservation Council program call 1-877-466-4447 or visit www.cuwcc.org • For information on the State program go to www.cash4appliances.org. **Note:** We require your social security number to issue a check for more than \$600. When buying a toilet make sure that both parts (tank and stool) qualify for the rebate.
