SUBJECT: CONSIDER ALLOCATION OF MOJAVE BASIN VOTES FOR
SUBAREA ADVISORY COMMITTEE

A. RECOMMENDATION

Consider allocation of Mojave Basin votes for the Subarea Advisory Committee of the adjudicated Mojave River Water Basin.

B. REASON FOR RECOMMENDATION

For representation in the Mojave Basin Subarea (Alto) in which the District "Farm" property is located.

C. BACKGROUND INFORMATION

Periodically the Alto Subarea of the Mojave Basin fills positions on the Subarea Advisory Committee. This committee makes recommendations to the Mojave Basin Watermaster regarding issues and operational strategies for the Alto Subarea of the adjudicated basin. The District has a substantial interest in the subarea including both land (350 acres) and adjudicated water rights (527 acre-feet of annual free production allowance).

The Subarea Advisory Committee nominations received by the Watermaster for the Alto Subarea area are listed below:

- Bobby Boytor – Mojave Resource Management, LLC
- Darlene Bray – Cemex, Inc.
- Craig Carlson – Helendale Community Services District
- City of Victorville
- Golden State Water Company
- Steve Samaras – San Bernardino County Service Areas
- Steve Schaulis

- Tina Souza – Hesperia Water District

Each Subarea Advisory Committee will consist of five elected advisors. The number of votes that the District is entitled to is calculated by multiplying the Districts Base Annual Production (658 acre-feet) Right by the number of advisors to be elected for the Alto Subarea. The total number of votes that the District is entitled to is 3,290. The votes may be distributed among candidates.

Completed original ballots must be received at the Watermaster's offices no later than Friday, March 16, 2018.

D. FISCAL IMPACT

There is no direct financial impact from this item.
