## DISCUSSION TOPICS

### **1. Aquatic Invasive Mussel Species**

Ms. Cerri thanked Arrowhead Lake Association (ALA) for their commitment to the community of Lake Arrowhead. ALA would like to continue efforts in reaching out to their members and Lake Arrowhead Community Services District (LACSD) customers to continue with education of aquatic invasive mussel species.

ALA discussed concerns regarding the contamination of kayaks and other water sport equipment being brought into the lake without being inspected.

President Thompson requested the District to contact the local newspapers dedicated to this issue.

### **2. Lake Level**

Ms. Cerri reported lake levels from 2008 to current date.

### **3. Memorandum of Understanding**

Ms. Cerri reported out on the Memorandum of Understanding (MOU) along with Mr. Austin stating the MOU is current. Ms. Rindenow questioned an aging report in the amount \$36,000.00. Ms. Cerri will proceed to investigate the amount with details to ALA.

Mr. Hall asked if the District is paying on dredging. Ms. Cerri advised if prevailing wage and presented the report.

#### **4. Hydrology Study**

Ms. Cerri provided an update to the University of Las Vegas (UNLV) study. UNLV is requesting other locations for consideration for efficient data to be presented. Additionally, UNLV is requesting to have a discussion with a member of ALA to further discuss details of the lake. Mr. Austin will make staff available.

Ms. Cerri informed ALA that LACSD will be securing the permit for the tracer dye.

#### **5. Future Agenda Topics**

Ms. Cerri asked if there were any items to be added. Ms. Rindenow requested new sites for future well sites. President Thompson informed ALA of the well project the District is actively pursuing.

Mr. Hall discussed environmental concerns with pollution in the lake and storm drains. The committee discussed and will further explore solutions.

Ms. Rindenow informed the committee of the Federal Aviation Administration Air flight in the community. Ms. Cerri reported there has been no change in water quality.

#### **ADJOURNMENT**

The meeting adjourned at 4:14 p.m.
