**REVIEW/ACCEPTANCE OF EXECUTIVE COMMITTEE MEETING MINUTES**

The meeting minutes from the January 14, 2019 Executive Committee Meeting was approved as distributed.

**DISCUSSION TOPICS**

## **1. Future Meeting Agenda Review.**

The Executive Committee reviewed and discussed the draft February 26, 2019, Regular Board Meeting Agenda. Ms. Cerri distributed the District's Corporation Yard Schematic Phase floor plan. The plans were reviewed and discussed. Ms. Cerri noted that the District still had not received the additional documentation requested from ALA for the 2017/2018 Joint Lake Operations costs. If the information was not received the item would be moved to the next Board meeting for consideration. A 2018 Year-End Dropcountr Report; which included program goals, program summary, data, facts, and figures, was handedouted and discussed.

## **2. General Manager's Comments.**

Ms. Cerri informed the Committee that over the weekend there were heavy flows and there was a discharge. The discharge was attributed to inflow and infiltration, increase in visitors to Lake Arrowhead and snow on the ground. Ms. Cerri commented that flows were diverted and there were floods into two homes, partly due to their plumbing and from the diversion of the flows. District staff stayed overnight cleaning up, and she received a positive email from the homeowner due to staff efforts. The District's Blue Jay Office Building also had issues due to the storm event. Ms. Cerri added that she had heard that every agency on the mountain had similar problems. Ms. Cerri remarked that a storm event debriefing meeting was scheduled with the Managers and Supervisors.

## **ADJOURNMENT**

There being no further business, the meeting adjourned at 3:49 p.m.
