REVIEW/ACCEPTANCE OF EXECUTIVE COMMITTEE MEETING MINUTES

The December 3, 2018, Executive Committee Meeting Minutes were approved as distributed.

DISCUSSION TOPICS

1. Future Meeting Agenda Review.

The Executive Committee reviewed and discussed the draft January 22, 2019 Regular Board Meeting Agenda. Ms. Cerri commented that ALA had submitted their costs incurred for the 2017/2018 Joint Lake Operations, but she requested more detail. The requested information had not been received from ALA, so the item may not be ready for the January 22, 2019 Board meeting. With regards to ALA Budget for the 2019/2020 Joint Lake Operations Costs, ALA had completed their budget, but ALA needed to provide the cost sharing items to the District; this item may move to the February 2019 Board meeting. Ms. Cerri responded to questions regarding projects that ALA may be working on and prevailing wages as it related to budgeted items. Ms. Cerri explained and provided background information for the request for the proposed warranty contract with Zenner for the meter interface units and on the proposed natural gas line to the District's new facility.

2. 2019 Executive Committee Meeting Schedule.

The Committee reviewed the 2019 Executive Committee Meeting Schedule. No changes were made to the meeting schedule.

3. General Manager's Comments.

Ms. Cerri informed the Committee that the new Finance Manager started on January 14, 2019 and the new accounting technician position had been filled; the District was fully staffed. Ms. Cerri advised the Committee that she requested support from Best Best & Krieger on a Caltrans project. Caltrans was requiring that the District move a water main at the District's expense noting that the District had a prescriptive right and had no plans on changing the water main or paying. A meeting with Caltrans was scheduled for Friday, January 19, 2019.

ADJOURNMENT

There being no further business, the meeting adjourned at 3:35 p.m.
