C. BACKGROUND INFORMATION

District Update

The District will be holding a Public Workshop on August 27, 2019 to allow the community to receive detailed information regarding the tracer study that is being conducted in Lake Arrowhead. Arrowhead Lake Association will be holding a similar workshop on August 24, 2019. The target date for the tracer is October 8th. Details about the project are on the homepage of our website under Current Events and at <http://www.lakearrowheadcsd.com/download/news-info/Tracer-Study-Public-Information.pdf>

Tidewater is assisting the District with assessing the contamination issues in Well #2. We will be conducting additional testing and utilizing a specialty lab that specializes in groundwater.

The Microvi pilot is underway. Preliminary results are positive but additional testing needs to be done.

Test drilling is continuing at the Hillside Ponds.

The parking lot at the Blue Jay Administration Building is complete.

#139 GVWWTP Step Screen installation is complete.

The level of Lake Arrowhead is maintaining high levels for this time of year at only 6" below full.

The next board meeting is scheduled for September 24, 2019 but a meeting will be held sooner if necessary.
