APPENDICES

APPENDIX A FISCAL YEAR 2021-2022 TAX ROLL

INTRODUCTION

Since Fiscal Year 2009-2010 the Lake Arrowhead Community Services District (the "District") has enrolled the sewer fee for certain customers on the County's tax roll. In order to do so, the general manager is required to file a written "Report" each year pursuant to Section 61115(b) of the California Government Code. Such Report must contain a description of each affected parcel of real property and the amount of the annual charges for each affected parcel for the year. Under Section 61115(b), the District is also authorized to collect prior year delinquent charges, and the delinquencies for each parcel must also be described in the Report. Now, therefore, DTA Municipal Solutions, on behalf of the general manager, does hereby submit this Report.

Prior to Fiscal Year 2009-2010, the District charged the sewer fee to all sewer customers through a regular billing statement sent directly to the property owner. The District determined that it is more cost effective to enroll the sewer fees on the County tax rolls for those residential customers for which the District provides sewer service only. Monthly billing for the residential sewer-only customers ceased following the billing for June 2009. All other sewer customers will continue to pay their sewer charges through monthly billings.

This Report provides a summary of the District's annual sewer fees and prior year delinquent amounts for residential sewer-only customers that are to be enrolled on the County's tax roll for Fiscal Year 2021-2022. This Report is not intended to calculate or justify the amount of the sewer fee, which was approved by the District on December 8, 2015, through a Proposition 218 protest process. This report is organized into the following sections:

- **Section I:** Section I herein analyzes the results of the Fiscal Year 2020-2021 levy; and
- **Section II:** Section II herein summarizes the annual sewer fee and prior year delinquencies to be enrolled on the County tax roll for Fiscal Year 2021-2022.

I FISCAL YEAR 2020-2021 LEVY

The total levy for the annual sewer fee for Fiscal Year 2020-2021 equaled \$1,563,567. As of May 17, 2021, the County had collected \$1,481,464 for the sewer fee. The remaining \$82,103 in sewer fees are delinquent, resulting in a delinquency rate of 5.25%.

II FISCAL YEAR 2021-2022 LEVY

A Annual Sewer Fee

The annual sewer fee is charged as a flat fee per sewer connection to each of the District’s residential sewer-only customers. Four new sewer customer accounts have been added for Fiscal Year 2021-2022. All but seven of the District’s residential sewer-only customers are each served by one sewer connection. Six of these seven customers are each served by two sewer connections and the remaining customer is served by three sewer connections.

In December 2015, the District approved a schedule of rate increases through January 1, 2020. Effective beginning January 1, 2020, the rate increased from \$53.53 per month to \$55.40 per month. This amount was charged on the tax roll for Fiscal Year 2020-2021. This amount will remain unchanged for the upcoming 12-month period between July 1, 2021, and June 30, 2022. Please see below for a summary of the total Fiscal Year 2021-2022 levy:

Table 1: Fiscal Year 2021-2022 Levy

Parcels	Amount Levied	Description	Number of Parcels Levied
Parcels with One Sewer Connection	\$55.40 x 12 Months = \$664.80	Rate of \$55.40/month effective beginning January 1, 2020	2,302 parcels
Parcels with Two Sewer Connections	Same as Above x Two Sewer Connections = \$664.80 x 2 Total = \$1,329.60	Same as above x 2 sewer connections.	6 parcels
Parcels with Three Sewer Connections	Same as Above x Three Sewer Connections = \$664.80 x 3 Total = \$1,994.40	Same as above x 3 sewer connections.	1 parcel

Below is a summary of the Fiscal Year 2021-2022 levy proposed to be enrolled on the Fiscal Year 2021-2022 County tax roll for the District’s residential sewer-only customers.

Fixed Charge	FY 2021-2022 Parcels Charged ¹	FY 2021-2022 Levy per Sewer Connection	FY 2021-2022 Levy
Annual Sewer Fee	2,309	\$664.80	\$1,540,342

Note:

1. Includes six parcels that are each assessed for two sewer connections and one parcel assessed for three sewer connections.

The funds raised by the sewer fee are used to pay for wastewater treatment services provided for the property. The amount of the sewer fee proposed to be levied on residential sewer-only customers for Fiscal Year 2021-2022 is calculated as follows: 2,302 parcels charged at \$664.80 per parcel, six parcels charged at \$1,329.60 per parcel, and one parcel charged \$1,994.40 for a total of \$1,540,342.

A list of the amount proposed to be levied against each parcel is included in Appendix A.

B Prior Year Delinquencies

No prior year delinquent amounts will be enrolled on the Fiscal Year 2021-2022 County tax roll.
