RE: Public Records Act Request Received July 25, 2016

Dear Mr. Schweiss:

This letter responds to your request for records under the California Public Records Act (Gov. Code §§ 6250 – 6276.48), received via email on July 25, 2016. You requested the following information:

1. *“video of inside bernina plant yard on July 2, 16...i need video of inside plant grounds to prove employee was not in yard at time of falsely alleged ‘attempt to access’...”*

The District does not have any video recording for the inside of the Bernina Water Treatment Plant yard on July 2, 2016, during the time period described above in your request. The cameras located inside the yard of the Bernina Water Treatment Plant are motion sensitive – they do not continually record. For the date and time period described in your request, the cameras did not record anything. Therefore, we do not have any existing records to provide for your request.

Sincerely,

Kathleen Field
