RE: Public Records Act Request Received November 2, 2016

Dear Mr. Schweiss:

This letter responds to your request for records under the California Public Records Act (Gov. Code §§ 6250 – 6276.48), received via email on November 2, 2016. You requested the following information:

1. *"Provide all records of report entered by reporting employee for the alleged july2,16 attempt to access."*

The District does not have a "report entered by reporting employee" referenced above. The District employee contacted their supervisor by telephone. The District has no written reports or documents of any kind regarding that telephone conversation. Therefore, the District has no documents responsive to your request.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Field".
