RE: Public Records Act Request Received October 17, 2016

Dear Ms. Fry:

This letter responds to your request for records under the California Public Records Act (Gov. Code §§ 6250 – 6276.48), received on October 17, 2016. We are responding to your request as follows:

1. *“A copy of the uncut version of two of the three videos of the interaction occurring, on July 2, 2016, between an LACSD employee and Gail Fry, staff writer for The Alpenhorn News and William Schweiss at the Bernina Water Treatment Plant.”*

In response to item #1, the District can provide a copy of two of the July 2, 2016, videos referenced above. One of the original videos was automatically overwritten by the system. The system replaced the overwritten video with a WMP 4 video which only saved the time of the interaction. However, as noted above, we can provide you with copies of the existing videos that responds to your request. Three video recordings can be provided including the WMP4 video.

Staff members will copy the responsive video onto a flash drive for you. You will need special software to view the video in its native format, (*“uncut version”*). You can download a free 15-day trial version of the software at <http://blueirissoftware.com/download/>. Payment of the duplication cost of the video must be made in advance of providing the flash drive to you. Upon payment of fees covering the direct costs of duplication, the flash drive will be mailed to the address you have provided. As another option, you may also view the video at the Blue Jay District office. Please let us know what option you would prefer.
