RE: Public Records Act Request Received October 17, 2016

Dear Ms. Fry:

This letter responds to your request for records under the California Public Records Act (Gov. Code §§ 6250 – 6276.48), received on October 17, 2016. We are responding to your request as follows:

“A copy of the uncut version of all three videos of the interaction occurring, on July 2, 2016, between an LACSD employee and Gail Fry, staff writer for The Alpenhorn News and William Schweiss at the Bernina Waster Treatment Plant, that were downloaded by Computer Options and retained on their computers.”

Computer Options did not download onto their computers, nor have they retained on their computers, any of the video recordings from July 2, 2016. Therefore, the District has no documents to provide for your request.

Please contact me should you have any questions at (909) 336 -7117 or send an email to kfield@lakearrowheadcsd.com.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Field". The signature is written in a cursive style.
