RE: Public Records Act Request Received September 13, 2016

Dear Ms. Fry:

This letter responds to your request for records under the California Public Records Act (Gov. Code §§ 6250 – 6276.48), received on September 13, 2016. We are responding to your request as follows:

1. *“A copy of the uncut version of two of the three videos of the interaction occurring, on July 2, 2016 between an LACSD employee and Gail Fry, staff writer for The Alpenhorn News and William Schweiss at the Bernina Water Treatment Plant.”*

In response to item #1, the District can provide a copy of only one of the July 2, 2016 videos referenced above. One of the original videos was automatically overwritten by the system. The system replaced the overwritten video with a WMP 4 video which only saved the time of the interaction. However, as noted above, we can provide you with a copy of the existing video that responds to your request.

Staff members will copy the responsive video onto a flash drive for you. Payment of the duplication cost of the video must be made in advance of providing the flash drive to you. Upon payment of fees covering the direct costs of duplication, the flash drive will be mailed to the address you have provided. As another option, you may also view the video at the Blue Jay District office. Please let us know what option you would prefer.

If you choose to have the video mailed, please make a check payable to Lake Arrowhead Community Services District, in the amount of \$6.47 and mail the check to the address listed below:
