RE: Public Records Act Request Received August 29, 2016

Dear Mr. Schweiss:

This letter follows up on previous correspondence to you regarding your request for records and responds to your request for records under the California Public Records Act (Gov. Code §§ 6250 – 6276.48), dated August 26, 2016, received on August 29, 2016. We are responding to your request as follows:

1. *“bernina facility yard security camera recordings “10 minutes before “attempt.”*

In response to item #1, there is no “Bernina facility yard” video surveillance 10 minutes before “attempt” on July 2, 2016 at the Bernina Water Treatment Plant.

2. *“the time of “attempt” itself (which, based on request #1, should have no data).*

In response to item #2, there is no “Bernina facility yard” video surveillance for “the time of attempt” on July 2, 2016, at the Bernina Water Treatment Plant.

3. *“10 minutes after “attempt” (which probably has no data because the evidence leads me to suspect that bernina facility's yard security system was already turned off).*

In response to item #2, the District can provide a copy of July 2, 2016, “Bernina facility yard” video surveillance. However, the video recorded was less than “10 minutes after the attempt” Camera 2, 4:42:17 p.m. – 4:42:31 p.m., camera 3, 4:41:08 p.m. – 4:46:54 p.m., camera 4, 4:41:36 p.m. – 4:46:00 p.m., and camera 5, 4:41:24 p.m. – 4:48:02 p.m.
