**Re: Public Records Act Request Received Via Email May 7, 2021**

Dear Mr. Frabotti,

This letter responds to your request for records under the California Public Records Act (Gov. §§ 6250 – 6276.48) received via email on May 7, 2021, in which you requested the information below:

“A list emailed of your overgrown grass, securing a vacant structure, and fire damage records for December 1st, 2020 - present?”

On May 10, 2021, I contacted you via telephone at [REDACTED] to clarify the information you were seeking. As discussed, Lake Arrowhead Community Services District provides water and wastewater services and does not have records related to “overgrown grass, securing a vacant structure and fire damage records.” Therefore, the District will not be providing records. As suggested, please contact San Bernardino County regarding your request for records.

If you have any questions concerning this letter, please feel free to contact me at (909) 336 -7117 or [kfield@lakearrowheadcsd.com](mailto:kfield@lakearrowheadcsd.com).

Sincerely,

*Kathleen Field*
