Subject: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

Lake Arrowhead Community Services District New Production Wells Project

Project Title

SCH #2007121113

Mr. John E. Hoagland

(909) 336-7102

State Clearinghouse Number

Lead Agency Contact Person

Area Code/Telephone/Extension

Project Location:

The proposed project sites are located in the Community of Lake Arrowhead, San Bernardino County, California: The Well No. 12 (LA-6) site is located on property southeast of Lake Arrowhead, within the Blue Jay Union Bank parking lot. Well No. 12A is located on an existing pad about 100 feet east of North Bay Road and about one-quarter mile southwest of Paradise Bay. The Well No. 11 (HC-1) site is located on a District-owned property on Cumberland Drive, currently developed with a District water reservoir. The Well No. 10 (LBC-1) site is located on a County-owned property at the eastern boundary of the District's service area, east of Papoose Dam. The Well No. 9 (LA-9) well site is located on private property adjacent to Highway 173 near Cumberland Drive. The Well No. 8 (A-3) site is located within Grass Valley, east of Grass Valley Lake, within the Arrowhead Lake Association Grass Valley Park. The Well No. 7 (A-2) and Well No. 6 (A-1) sites are located within Grass Valley at the Lake Arrowhead Country Club Golf Course, Holes No. 12 and No. 17, respectively. The project area is shown on the USGS - Lake Arrowhead Quadrangle, 7.5 Minute Series topographic map (Photo revised 1988) and it is located in the 14, T2N, R3W, San Bernardino Meridian. See attachments.

Project Description:

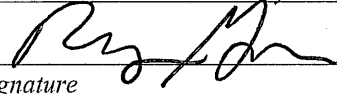

The proposed project consists of the drilling, installation, development, test-pumping and production of eight new municipal wells in the Lake Arrowhead community. The proposed wells are designated as Well No. 6 (A-1), Well No. 7 (A-2), Well No. 8 (A-3), Well No. 9 (LA-9), Well No. 10 (LBC-1), Well No. 11 (HC-1), Well No. 12 (LA-6), and Well No. 12A. The wells will be drilled at a 12-inch diameter and to an estimated depth of approximately 715 feet in granite bedrock using the air hammer drilling method. Wells 6, 7, 8, 12 and 12A will be operated only as test wells pending further discretionary action by the Lead Agency and CEQA review.

This is to advise that the Lead Agency, Lake Arrowhead Community Services District has approved the above described project on February 12, 2008 and has made the following determination regarding the above described project:

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A Statement of Overriding Considerations [was was not] adopted for this project.

This is to certify that the Negative Declaration with comments and responses and record of project approval is available to the General Public at:

Lake Arrowhead Community Services District, 28200 Hwy 189, Building O3, Suite 160, Lake Arrowhead, CA 92352
