

LAKE ARROWHEAD COMMUNITY SERVICES DISTRICT PRIVATE SEWER LATERAL COMPLIANCE POLICY

The Lake Arrowhead Community Services District (LACSD) is in the process of developing and implementing a Private Sewer Lateral (PSL) Compliance Policy. The purpose of the policy is to reduce Inflow & Infiltration (I&I), exfiltration, and Sanitary Sewer Overflows (SSO) to and from privately owned sewer laterals.

On March 23, 2017 LACSD invites all licensed plumbing contractors to attend an informational workshop to be briefed on the District's Draft Private Sewer Lateral Compliance policy, and to provide feedback to the District. The workshop will be held at the LACSD boardroom located at 27307 State Hwy. 189 Blue Jay, CA 92317.
