

LACSD

Water Meter Downsize Program Application

STEP 1 – Complete Application

Date: _____ Account #: _____

Customer Name: _____

Property Address: _____

Phone Number: _____

Total Fixture Units*: _____ (According to field investigation ____/____/____.)

*Please note that the fixture units total is only one method that is used to determine if your home will qualify for the meter downsizing program, and that other criteria exist which must be met for your home to be considered qualified for the program.

Step 2 – Submit Application to LACSD - Engineering Department

Mail, Fax or bring this application to the Engineering Department:

Mail: LACSD Engineering Department, P.O. Box 700, Lake Arrowhead, CA 92352

Fax: 909-337-6715

Walk-in: 27307 State Hwy 189, Blue Jay, CA 92317

If you have any questions regarding this form, please contact the Engineering Dept. at (909) 336-7106.

Step 3 – LACSD Staff Meter Inspection

If Staff evaluates your application and determines that it is possible for you to downsize, you will receive a phone call to set up a physical inspection of your property.

Step 4 – Sign a Waiver

If your inspection results allow you to downsize, you will be asked to sign a waiver indicating that you understand and take responsibility for the loss of your previous capacity and that you will pay the charges required to upsize to a larger capacity should you ever need to do so.

METER UPSIZE/DOWNSIZE GENERAL INFORMATION

Following are the monthly fixed water charges effective January 01, 2017:

METER SIZE	RATE
3/4" AND SMALLER	\$ 38.23
1"	\$ 93.66
1 1/2"	\$187.33
2"	\$299.34

If LACSD Engineering approves your application, your fixed monthly fees will then reflect the new meter size. Please note, if your meter is changed out, **you will lose the right to the previous capacity**, and payment of fees are required. For a complete listing of the required fees, please refer to Exhibit "E" listed on the opposite side of this page.
