

Subject: Notice Inviting Bids for the Lake Arrowhead Community Services District "North Bay Intake Pump Station Replacement, Project No. 072"

Sealed bids will be received at the Engineering Department of the Lake Arrowhead Community Services District (District), located at 27307 State Hwy 189, Blue Jay, California, until 2:00 p.m. on July 25, 2017, for this project. The bids will be publicly read shortly after 2:00 p.m. on July 25, 2017. There will be a MANDATORY job walk at 1:00 p.m. on July 10, 2017. All interested Contractors shall meet at the District offices at, 27307 State Hwy 189, Blue Jay, CA, at 1:00 p.m. prior to the start of the conference. The work consists of providing all materials, labor, tools, equipment, facilities, transportation and incidentals necessary to construct: Demolition of onshore and offshore pumping facilities, including piping, pumps, vaults, electrical equipment; construction of a pump station and wet well including piping, pumps and related appurtenances; extension of an existing electrical building to house new equipment; related earthwork, erosion control, clearing and grubbing; potential underground water pumping during structure excavation. District will provide pumps and VFDs.

The Engineer's estimate for this project is \$3,800,000

Copies of the plans, specifications and all bid documents to be obtained from the Lake Arrowhead Community Services District, Engineering Department, 27307 State Hwy 189, Blue Jay, CA 92317, Telephone (909) 336-7106. Specifications will be available to each bidder at a cost of \$180.00 for each set. Each set can be shipped via FedEx Ground, upon request, for an additional \$45.00 charge each to cover shipping and handling. Or you may provide your own FedEx account number.
